          <p>
            I'm a CSE student studied at Bengal College of Engineering and Technology which
is affiliated to MAKAUT University.
            I really enjoy solving problems as well as making things pretty and easy to use.
I can't stop learning new
            things; the more, the better.
